

NASA Scale Contest Grant Program Application

Overview

Aligned to the charter of NASA this grant program is intended to encourage AMA Clubs to host scale model contests by assisting with the cost of putting on a contest, granting the Club \$250 cash and 100 NASA Raffle tickets to be sold and funds retained by the Club. In exchange, NASA requires the Club's support in marketing the contest and NASA to help further expand scale model competition. Below describes the details of the NASA Scale Contest Grant Program.

- Club and contest must be sanctioned by the AMA.
- AMA rules for the event and scoring must be followed.
- The contest must offer all AMA Scale RC and/or Control Line Scale Classes (not required to have entries for every class)
- The contest must span at least two consecutive days.
- Display of the NASA supplied event banner at the contest (and other events at the club's field as possible).
- The NASA Contest Coordinator is Tim Dickey (tdickey2@icloud.com)

At Least 2 months Prior to the Contest, CD must Email to the NASA Contest Coordinator:

- 1) Application below must be completed.
- 2) The event flyer which must contain the NASA logo.
 - Within 2 weeks of receiving the above items, the NASA Contest Coordinator will notify the Club regarding approval, and if approved, will mail 100 raffle tickets to the Club.

Within 1 month After the Contest, CD must Email to the NASA Contest Coordinator:

- 1) The final scores by class and placement results.
- 2) Names of 3 new NASA members who signed up during the event.
- 3) An event report consisting of at least 3 paragraphs and 5 photos compiled for inclusion in the NASA newsletter including photo of the NASA supplied event banner as the first photo.
 - Within 2 weeks of receiving the above items the NASA Contest Coordinator mails \$250 check payable to the Club.
